# AIxCrypto Co-CEO Jerry Wang Shares Weekly Investor Update: Crypto Flywheel Growth

February 2, 2026

Los Angeles, CA (Feb. 2, 2026) – AIxCrypto Inc. (NASDAQ: AIXC , "AIxC" or the "Company"), an advanced interactive platform bridging Web2 to Web3 with Embodied AI (EAI) and Real World Asset (RWA), today shared a weekly business update from Jerry Wang, Co-CEO of AIxC.

"FF has signed a stock purchase agreement with a designated third party identified by AIxC."

AIXC will fund FF $10 million, before offering expenses, and FF will issue the third party with $10 million in FF Class A common stock based on the most recent closing price prior to the closing date. Closing is expected to occur on or shortly after February 13, 2026, subject to customary closing conditions and stockholder approval of an increase in authorized shares.

The transaction represents a pioneering model jointly explored by AIxC and FFAI, in which a U.S.-listed public company makes a direct equity investment with the potential to leverage Real World Asset (RWA) technology to unlock new utility within the digital economy—connecting traditional capital markets with the emerging decentralized ecosystem.

AIxC Hub reaches a new milestone and launches an interactive AI module

As of today, AIxC Hub has surpassed 1 million registered wallets. Concurrently, we officially launched Tenki, the Hub's new AI-powered interactive game.

Tenki is an AI agent-driven, narrative-based game built primarily for entertainment. It offers users an immersive, AI-native experience, while also laying the groundwork for stronger user retention and the ongoing evolution of AIxC Hub's Embodied AI (EAI), architecture.

On launch day, AIxC's official X account ranked #7 among the top regional discussion leaderboards—highlighting our rapidly growing visibility across high-growth Asian markets.

Announced Strategic Collaboration with Sei Development Foundation

Sei Development Foundation is an independent US non-profit dedicated to the advancement and adoption of open source, permissionless protocols like Sei Network – the fastest EVM Layer-1 blockchain built to support world-scale decentralized applications.

Through this collaboration, the Sei Development Foundation and AIxC will work closely with teams across the Sei ecosystem to explore innovative infrastructure solutions, including on-chain identity and transaction primitives for future mobility and EAI initiatives. These efforts aim to assess the utility of Sei's reported sub-second finality for real-time DePIN applications."

FORWARD LOOKING STATEMENTS:
This press release contains "forward-looking statements", including statements regarding AIxCrypto Holdings, Inc. ("AIxCrypto") within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. All of the statements in this press release, including financial projections, whether written or oral, that refer to expected or anticipated future actions and results of AIxCrypto are forward-looking statements. In addition, any statements that refer to expectations, projections, or other characterizations of future events or circumstances are forward-looking statements. These forward-looking statements reflect our current projections and expectations about future events as of the date of this presentation. AIxCrypto cannot give any assurance that such forward-looking statements and financial projections will prove to be correct.

The information provided in this press release does not identify or include any risk or exposures of AIxCrypto that would materially and adversely affect the performance or risk of the company. By their nature, forward-looking statements and financial projections involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, forecasts, projections and other forward-looking information will not occur, which may cause the Company's actual performance and financial results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking statements and financial projections. Important factors that could cause actual results to differ materially from expectations include, but are not limited to: business, economic and capital market conditions; the heavily regulated industry in which AIxCrypto carries on business; current or future laws or regulations and new interpretations of existing laws or regulations; the inherent volatility and regulatory uncertainty associated with cryptocurrency investments; legal and regulatory requirements; market conditions and the demand and pricing for our products; the availability of reaching an agreement for the purchase of FFAI common shares; our relationships with our customers and business partners; our ability to successfully define, design and release new products in a timely manner that meet our customers' needs; our ability to attract, retain and motivate qualified personnel; competition in our industry; failure of counterparties to perform their contractual obligations; systems, networks, telecommunications or service disruptions or failures or cyber-attack; ability to obtain additional financing on reasonable terms or at all; litigation costs and outcomes; our ability to successfully maintain and enforce our intellectual property rights and defend third party claims of infringement of their intellectual property rights; and our ability to manage our growth. Readers are cautioned that this list of factors should not be construed as exhaustive.

All information contained in this press release is provided as of the date of the press release issuance and is subject to change without notice. Neither AIxCrypto, nor any other person undertakes any obligation to update or revise publicly any of the forward-looking statements and financial projections set out herein, whether as a result of new information, future events or otherwise, except as required by law. This is presented as a source of information and not an investment recommendation. This press release does not take into account nor does it provide any tax, legal or investment advice or opinion regarding the specific investment objectives or financial situation of any person. AIxCrypto reserves the right to amend or replace the information contained herein, in part or entirely, at any time, and undertakes no obligation to provide the recipient with access to the amended information or to notify the recipient thereof.

Readers are advised not to place undue reliance on forward-looking statements, as there is no guarantee that the plans, intentions, or expectations they are based on will be realized. While management believes these statements are reasonable at the time of preparation, actual results may differ materially. These forward-looking statements reflect the Company's expectations as of the date of this presentation and are subject to change without notice. The Company is not obligated to update or revise these statements, unless required by law.

Forward-looking statements are often identified by words such as "may," "could," "would," "might," or "will," indicating possible future actions, events, or outcomes. These statements involve known and unknown risks, uncertainties, and other factors that could cause actual results to differ significantly from what is expected.

Actual results may differ materially due to factors such as the ability to secure financing, complete transactions, meet exchange requirements, consumer demand, competition, and unexpected costs. These forward-looking statements are based on assumptions that may prove incorrect, and the Company does not assume any obligation to update them except as required by law. Given the uncertainties involved, readers should not place undue reliance on these statements.

You are cautioned not to place undue reliance on these forward-looking statements, which are made only as of the date of this news release. The Company disclaims any intent or obligation to update these forward-looking statements beyond the date of this news release, except as required by law. This caution is made under the safe harbor provisions of the Private Securities Litigation Reform Act of 1995.
