AIxCrypto Inc. Surpasses 1.1 Million Registered Wallets as AIxC Hub Launches "Tenki" Interactive Game

January 28, 2026

LOS ANGELES, Jan. 28, 2026 /PRNewswire/ -- AIxCrypto Inc. (NASDAQ: AIXC , "AIxC" or the "Company"), an advanced interactive platform bridging Web2 to Web3 with Embodied AI (EAI) and Real World Asset (RWA), today announced that total registered wallets on **AIxC Hub have exceeded 1.1 million** , coinciding with the launch of **Tenki**, a new AI-powered interactive game now available within the platform's **Playground** section.

Tenki: AI Agent–Driven Interactive Entertainment

Tenki is an AI agent–driven interactive game designed for entertainment, inspired by culturally rooted metaphysical themes and cyberpunk aesthetics.
Designed as a lightweight and immersive interactive game, Tenki invites users into a narrative-driven, AI-powered experience while also serving as a strategic stepping stone for enhancing user retention and supporting the continued development of AIxC Hub's Embodied AI (EAI) architecture.

Tenki represents the first release in a broader lineup of interactive games planned for the AIxC Hub Playground, with additional AI-powered experiences expected to be introduced over time.

Strong Engagement Across the Web3 Community

Since its launch, Tenki has generated strong engagement across the Web3 community, with multiple key opinion leaders (KOLs) actively sharing and discussing the experience across social platforms.

Key engagement highlights include:

- The official Tenki launch announcement on AIxC's X (formerly Twitter) account recorded over 86,000 reads
- The accompanying Tenki launch video surpassed 54,000 views
- On the day of the launch announcement, AIxC's official X account ranked among the top Chinese Web3 discussion leaderboards, reaching #7 and reflecting growing visibility across high-growth Asian markets.

AIxC Hub Ecosystem Reaches New Scale

Alongside the launch of Tenki, AIxC Hub continued to demonstrate rapid ecosystem growth. As of the announcement date:

- 1,100,00+ registered wallets
- 100,000+ users have linked Discord accounts
- 90,000+ users have linked X (Twitter) accounts

- 6,700+ total registered teams

These milestones underscore the increasing scale, engagement intensity, and community-driven nature of the AIxC Hub platform.

Expanding the AIxC Hub Playground

The introduction of Tenki reflects AIxC's continued strategy to combine AI-driven interaction, entertainment, and large-scale user participation. By expanding the Playground with AI agent–based interactive experiences, the Company aims to enhance user engagement while supporting the long-term development of AI systems informed by real-world behavioral interaction.

AIxC expects the Playground to continue evolving with additional interactive games and modules as part of its broader product roadmap.

About AIxCrypto:

AIxCrypto is a U.S.-Nasdaq listed company dedicated to building a world-leading ecosystem that integrates AI and blockchain while bridging Web2 and Web3. Its core products include the BesTrade DeAI Agent and the AIxC ecosystem products.

FORWARD LOOKING STATEMENTS:

This press release contains "forward-looking statements", including statements regarding AIxCrypto Holdings, Inc. ("AIxCrypto") within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. All of the statements in this press release, including financial projections, whether written or oral, that refer to expected or anticipated future actions and results of AIxCrypto are forward-looking statements. In addition, any statements that refer to expectations, projections, or other characterizations of future events or circumstances are forward-looking statements. These forward-looking statements reflect our current projections and expectations about future events as of the date of this presentation. AIxCrypto cannot give any assurance that such forward-looking statements and financial projections will prove to be correct.

The information provided in this press release does not identify or include any risk or exposures of AIxCrypto that would materially and adversely affect the performance or risk of the company. By their nature, forward-looking statements and financial projections involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, forecasts, projections and other forward-looking information will not occur, which may cause the Company's actual performance and financial results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking statements and financial projections. Important factors that could cause actual results to differ materially from expectations include, but are not limited to: business, economic and capital market conditions; the heavily regulated industry in which AIxCrypto carries on business; current or future laws or regulations and new interpretations of existing laws or regulations; the inherent volatility and regulatory uncertainty associated with cryptocurrency investments; legal and regulatory requirements; market conditions and the demand and pricing for our products; the availability of reaching an agreement for the purchase of FFAI common shares; our relationships with our customers and business partners; our ability to successfully define, design and release new products in a timely manner that meet our customers' needs; our ability to attract, retain and motivate qualified personnel; competition in our industry; failure of counterparties to perform their contractual obligations; systems, networks, telecommunications or service disruptions or failures or cyber-attack; ability to obtain additional financing on reasonable terms or at all; litigation costs and outcomes; our ability to successfully maintain and enforce our intellectual property rights and defend third party claims of infringement of their intellectual property rights; and our ability to manage our growth. Readers are cautioned that this list of factors should not be construed as exhaustive.

All information contained in this press release is provided as of the date of the press release issuance and is subject to change without notice. Neither AIxCrypto, nor any other person undertakes any obligation to update or revise publicly any of the forward-looking statements and financial projections set out herein, whether as a result of new information, future events or otherwise, except as required by law. This is presented as a source of information and not an investment recommendation. This press release does not take into account nor does it provide any tax, legal or investment advice or opinion regarding the specific investment objectives or financial situation of any person. AIxCrypto reserves the right to amend or replace the information contained herein, in part or entirely, at any time, and undertakes no obligation to provide the recipient with access to the amended information or to notify the recipient thereof.

Readers are advised not to place undue reliance on forward-looking statements, as there is no guarantee that the plans, intentions, or expectations they are based on will be realized. While management believes these statements are reasonable at the time of preparation, actual results may differ materially. These forward-looking statements reflect the Company's expectations as of the date of this presentation and are subject to change without notice. The Company is not obligated to update or revise these statements, unless required by law.

Forward-looking statements are often identified by words such as "may," "could," "would," "might," or "will," indicating possible future actions, events, or outcomes. These statements involve known and unknown risks, uncertainties, and other factors that could cause actual results to differ significantly from what is expected.

Actual results may differ materially due to factors such as the ability to secure financing, complete transactions, meet exchange requirements, consumer demand, competition, and unexpected costs. These forward-looking statements are based on assumptions that may prove incorrect, and the Company does not assume any obligation to update them except as required by law. Given the uncertainties involved, readers should not place undue reliance on these statements.

You are cautioned not to place undue reliance on these forward-looking statements, which are made only as of the date of this news release. The Company disclaims any intent or obligation to update these forward-looking statements beyond the date of this news release, except as required by law. This caution is made under the safe harbor provisions of the Private Securities Litigation Reform Act of 1995.
